Vantage KUL2 Cyberjaya II

Unknown MW • Total facility power not established

See capacity evidence for reported claims.

Also known as: KUL2 • Cyberjaya II

Development status: under construction, planned

Current expanded campus design; historical 256 MW plan retained separately. Do not add the two plans.

Last researched: 2026-09-11 | Last verified: Not independently verified

Tracked dataset only. Unknown values are not zero. Evidence dates and measurement definitions must be considered when comparing sites.

Site profile

Field	Published information
Operator	Vantage Data Centers [1]
Owner	Unknown
Business model	unknown
Scale	unknown
Country	Malaysia [1]
State / region	Selangor [1]
Metro area	Greater Kuala Lumpur [1]
City / locality	Cyberjaya [1]
Address	Unknown
Coordinates	2.9016945, 101.6506784 · approximate precision. Named Google Maps site POI matched to facility identity and locality; approximate property location, not independently verified building boundary or entrance. Another nearby KUL2 construction-company POI has a different position and is marked closed; that label is not taken as evidence that the data centre closed.
Parent	Not assigned

Capacity evidence

Do not add these claims together. IT load, facility power, grid connection and unspecified power are different measurements. Cumulative and incremental scopes remain separate.

Measurement	Development scope	Evidence / accounting
436 MW IT load	Reported design capacity; energized and occupied load not established planned · cumulative	[1] reported · 2026-09-11 Excluded from totals. Research retrieval date, not a commissioning or measurement date. Design/full-build capacity is not evidence that all MW are commissioned. Excluded from sums pending capacity and hierarchy review. Current expanded campus design; historical 256 MW plan retained separately. Do not add the two plans.
256 MW IT load	Historical 2024 campus plan; superseded scope, not additional capacity planned · cumulative	[2] reported · 2026-09-11 Excluded from totals. Research retrieval date, not a commissioning or measurement date. Design/full-build capacity is not evidence that all MW are commissioned. Excluded from sums pending capacity and hierarchy review. Current expanded campus design; historical 256 MW plan retained separately. Do not add the two plans.

Development timeline

No dated milestones established.

Disclosed specifications

No additional specifications established.

Research gaps

- Verified block-level property coordinates
- Latest unobstructed property photo and reuse rights
- Legal property ownership and ownership history
- Actual energized/occupied power and phased commissioning breakdown
- Private tenants and undisclosed technical details
- Individual building capacities and phase-to-building allocation; campus total must not be assigned to each building
- Verified full street address
