YCO Malvar One

30 MW · Unspecified power

Reported design/development capacity; delivered share unconfirmed

Development status: operational

CSV-authorized Batangas extension. Energized shell does not establish commissioned IT halls or tenant occupancy.

Last researched: 2026-09-11 | Last verified: Not independently verified

Tracked dataset only. Unknown values are not zero. Evidence dates and measurement definitions must be considered when comparing sites.

Site photographs

Capture and original image publication dates not independently established; retrieval/upload dates are not capture dates. Selected from sources checked 2026-09-11 for identity and unobstructed property view; latest capture date cannot be established.

Site profile

Field	Published information
Operator	YCO Cloud [1]
Owner	Unknown
Business model	unknown
Scale	unknown
Country	Philippines [1]
State / region	Batangas [1]
Metro area	Malvar [1]
City / locality	Malvar [1]
Address	Unknown
Coordinates	Unknown · unknown precision. Exact property coordinates not established; no city centroid substituted.
Parent	Not assigned

Capacity evidence

Do not add these claims together. IT load, facility power, grid connection and unspecified power are different measurements. Cumulative and incremental scopes remain separate.

Measurement	Development scope	Evidence / accounting
30 MW Unspecified power	Reported design/development capacity; delivered share unconfirmed operational · cumulative	[1] reported · 2026-09-11 Excluded from totals. Research retrieval date, not measurement/commissioning date. Excluded from sums pending capacity and hierarchy reconciliation. CSV-authorized Batangas extension. Energized shell does not establish commissioned IT halls or tenant occupancy.

Development timeline

No dated milestones established.

Disclosed specifications

No additional specifications established.

Research gaps

- Independent block-level coordinate verification
- Commissioned and occupied IT load by phase
- Legal owner and ownership history
- Latest property photo and reuse rights
- Reconciled capacity accounting and latest actual milestone dates
